Excuse me Sir, I have a question about the war on "drugs". If all the people get locked-up in prison, does that mean the people won or the drugs won..?

Arrest that guy, he's a terrorist.

Yeah, prepare a speech, "Drugs  
make children kill." Yeah, write it so I can  
switch "illegal drugs" with "prescription drugs", if I  
need to. And don't use the word "shot", say "killed."  
Yeah... and mention my stance on tough
